The Bough & Dough Shop

Since our last newsletter, the PHW office has been hard at work figuring out logistics to keep us and you safe during our holiday pop-up store. Before planning your trip, here's what you should know:

The Shop will **open on Black Friday, November 27** and will be open the usual schedule of **Tuesdays-Saturdays from 10 AM to 5 PM** and **Sundays noon to 5 PM** through **Wednesday, December 23**. Because of the extra cleaning necessary, we will be closing the last shopping appointment slots at 4:30 PM and performing a midday cleaning in the 2:00—2:30 PM timeslot.

We will be **limiting shoppers to ten** inside the building at a time. We ask that you complete your shopping in half an hour.

If you have a day and time you know you want to shop in-person, we recommend **setting up an online appointment** at PHW's Facebook page for your desired timeslot. We will save your half hour shopping window in case we have a waiting list for walk-ins.

Should the Shop become very backed up with walk-ins, we will have a **numbered ticket system** on hand so that you can wait in your car until we have space for you.

Because our customer base leans to more vulnerable demographics, **masks are required** to shop at the Hexagon House. The floor will be marked in six foot increments for social distancing.

If you do not wish to wear a mask, we suggest you try **our online shopping option** at phwinc.ecrater.com.

To help our artists who create our perishable items, we strongly recommend using the **live greenery and baked good order forms**. Example cakes and treats will be available at the Shop to help you decide

what to order. Greenery may be subject to availability. Sweet treat turnaround times vary by individual artist.

The interior shop layout has been reconfigured to accommodate a **one-way path** through the house. The checkout has moved to the door on your way out to prevent backtracking and crossed paths.

We plan to **accept cash payments as well as our usual checks and credit cards**. If possible, please have exact change if using cash.

We will offer a **“round up” to the next dollar feature** for those who prefer not dealing with coins. The extra change will be placed into our Sherry Bosley Scholarship pool.

Curbside pickup is available for online orders at phwinc.ecrater.com. Remember to use **promo code “Curbside”** during online checkout and PHW representatives will be in touch to set up your pickup time once your items are packed. We are planning for a one business day turnaround for online pickup orders. Pickups will only be processed during normal shop hours.

Delivery of local online orders may be available on a case by case basis. You can write us a note for special requests during online checkout.

If you are farther afield and want your items shipped, **please allow a week for packing and shipping time**, as is usual for USPS.

We know the calculated shipping costs in the online store may be quite high, but **we will refund extra shipping costs** once your items ship. We estimate high so we can get your items to you safely!

Above all, be safe and merry this holiday shopping season!◆
